

SHIRO-BI TABLE

WHAT IS IN THE BOX?

- 4 x Wooden Legs (L-Shaped)
- 2 x Wooden Connectors (Cylindrical)
- 2 x Wooden Connectors (Structure C & D)
- 1 x Wooden Top
- 1 x PET Felt Fabric
- 20 x Screws (4 Spare)
- 1 x Allen Key

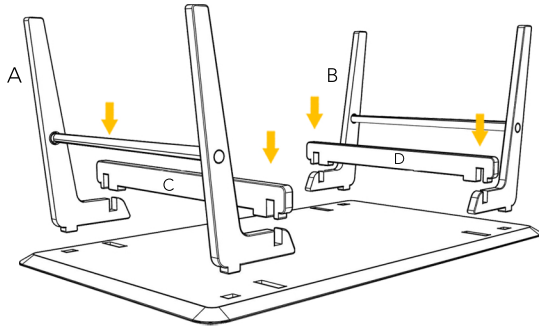

STEP 1

Fix the wooden connectors to the L-shaped wooden legs as shown.

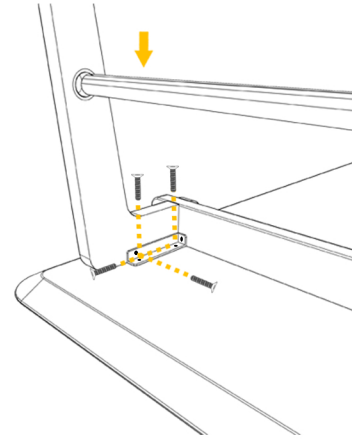

STEP 2

Join structure A & B at the back of the top as shown, then join structure C & D as shown.

STEP 3

Screw the metal joinery to all 4 legs as shown.

STEP 4

Rotate the table upside down & attach the PET felt between the legs using rivets.
