# Wall-Hung Planter Vertical

## WHAT IS IN THE BOX?

- 1 x Metal Frame (340x900mm)
- 1 x Metal Tray
- 2 x Brackets
- 6 x screws (2 spare)
- 6 x plastic plugs (2 spare)

## STEP 1

Decide the placement of the planter on your wall at a suitable height. Mark the holes for drilling using the dimensions given below (mm). Use of a spirit level is advised.

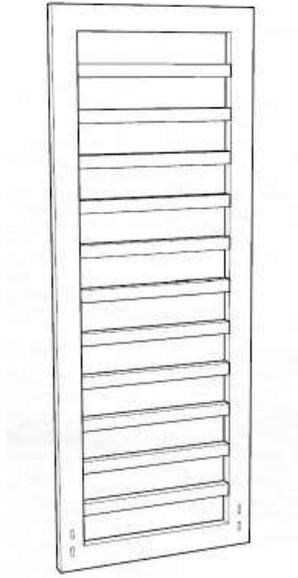

## STEP 2

Drill the holes, insert the plastic plugs into the holes, fix the screws into the plugs using a drill machine.

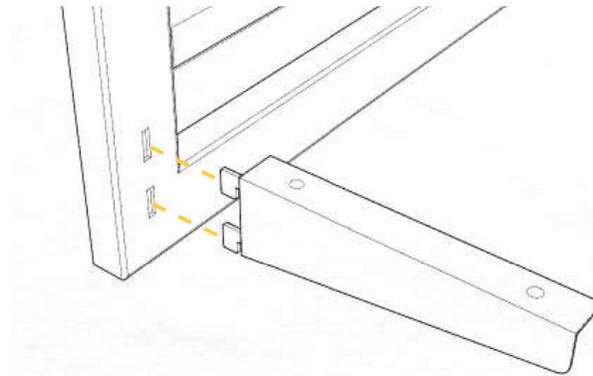

## STEP 3

Hang the frame onto the wall.

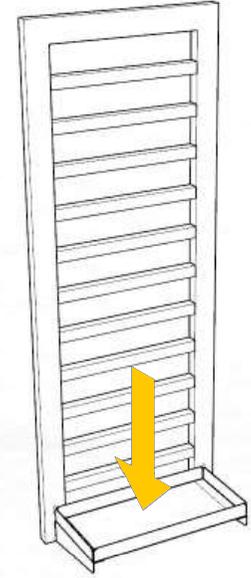

## STEP 4

Attach the brackets into the slots.

## STEP 5

Place the tray onto the brackets.

## STEP 6

Hang the planters as you like and fill them with your favourite plants.
