Treesa Console

WHAT IS IN THE BOX?

- 1 x Wooden top (1200x300mm)
- 2 x Metal Leg frames
- 1 x Metal pipe member
- 15 x screws (1 spare)
- 3 M6 flat head screws (1 spare)
- 1 Allen key

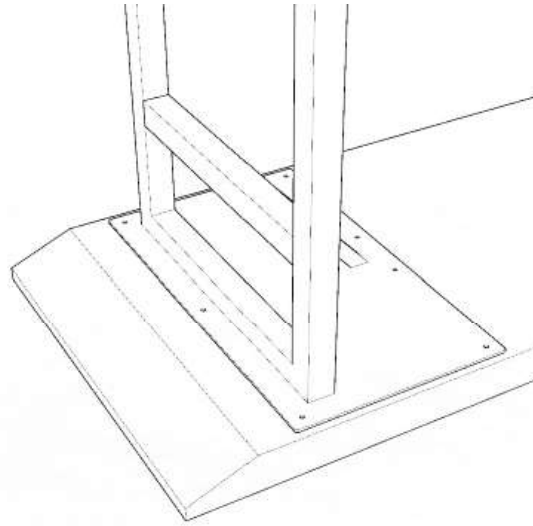

STEP 1

Fix the metal pipe to the wooden top with M6 allen screws with the use of allen key (provided) as shown.

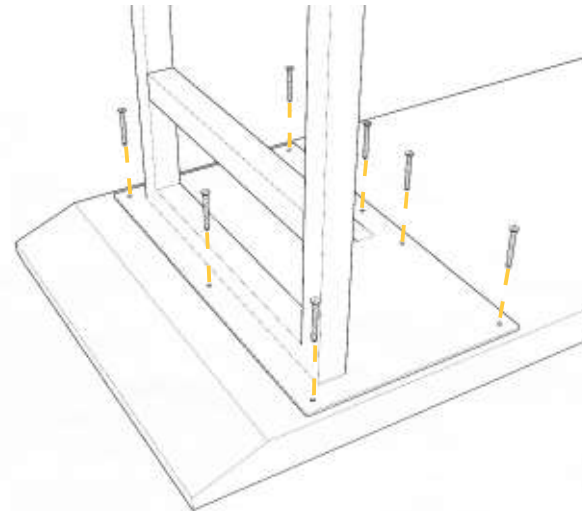

STEP 2

Turn the top upside down and place the leg member aligning the holes for screwing.

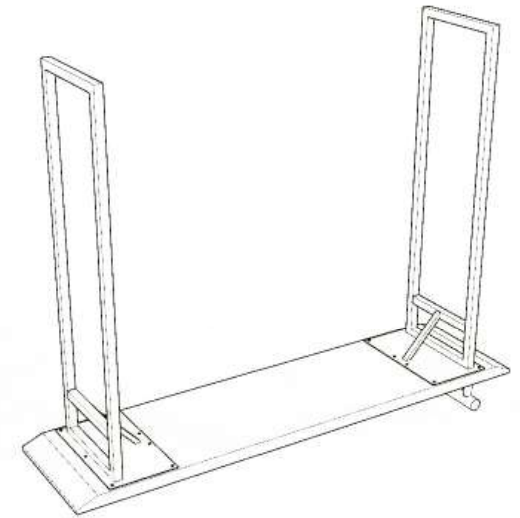

STEP 3

Screw the leg member to the wooden top.

STEP 4

Similarly fix the other leg member.

STEP 5

Turn the console in upright position and prop it in your fashion!
